

Protecting Your FFL With More Than Our Basic Services

ADDITIONAL SERVICES SUMMARY

FFLGuard also offers each Participant various Additional Services at an extra charge (but at a 33% reduction of FFLGuard Personnel normal and customary rates), including mock ATF audits, half-day staff seminars, document reviews and assessments (both on-site and via fax), development of Standard Operating Procedure manuals, pay-per-view training videos, and other legal services not normally included in the Basic Services for the Program. Additional Services also afford Participants with "points" for use with the Participant's 90 point standard under the Law Plus Guidelines ("LPG's"). All Additional Services are subject to the payment of a retainer – over and above the Yearly Fee – to the Group by Participant in advance of the rendering of such services.
