NFA Legal Service Plan (LSP) HIGHLIGHTS

Companion to Law Plus Guidelines – enhance the LPG's from your Basic Services package with LPG's specifically tailored to Class III transactions, and gain 5 points toward your LPG requirement as a bonus.

Increased Legal Support – gain an additional hour of HelpDesk time with our Counsel and Professionals so address NFA issues specifically, as well as an hour of "FaceTime" with FFLGuard's Director of Field Operations, Scott Braum, Esq., regarding the implementation of the LPG Companion for NFA.

Admission to NFA Seminar – redeem certificate exclusive to FFLGuard clients only for participation in day long legal seminar on the NFA given yearly by Mark Barnes, Esq.

Access to Trust Formation – use redeemable certificates for five (5) NFA Trusts to be formed for you and your staff at a 50% discount from, and ten (10) NFA Trusts to be formed for your customers at \$100 off of, the normal and customary rate charged by David Goldman, Esq., to create this legal instrument.

Presentation and Media Pieces – utilize Mr. Goldman's PowerPoint presentation provided in the NFA-LSP to showcase for your customers why they should have a trust for their Class III purchases, thereby stimulating your own sales of these products, while educating your staff with an Advanced Armament Corporation "Debunking the Legal Myths" video available through the FFLGuard clients-only website, a SilencerCo "Yes, Silencers Are Legal" brochure explaining the history of silencers, and a joint AcuSport/FFLGuard overview on the legality of suppressors.

SOT Application and Assistance – use our supply of ATF Forms necessary, as well as your additional HelpDesk time, to get your SOT License and begin Class III sales immediately!

COST - \$995 per year*

*Special payment arrangements available through AcuSport Corporation
