

National Firearms Act-Yearly Service Plan ("NFA-YSP") Extend Your FFLGuard Protection Package to Include NFA Items

ATTORNEY/CLIENT PRIVILEGE

Increased Legal Support – Gain additional flat-fee legal representation with regard to your Class III items, including added HelpDesk support to address NFA-specific issues, as well as an hour with FFLGuard regarding the implementation of the NFA Law Plus Guidelines™.

PROACTIVE & REACTIVE SOLUTIONS

NFA Law Plus Guidelines ("NFA-LPGs") – Enhance the overall Law Plus Guidelines™ from your Basic Services package with NFA-LPGs specifically tailored to Class III transactions, and gain 5 points toward your overall Law Plus Guidelines™ requirement.

Discounted NFA OnSite Training Sessions – Earn a 20% discount for OnSite training (FC301 and FC302) related to basic and advanced NFA transfers and sales.

Access to Trust Formation – Use FFLGuard's Preferred Counsel for NFA Trusts, David Goldman, Esq., for a complimentary, base-level trust formation (a \$199 value) through www.guntrust.com, and gain access to additional trusts at an "FFLGuard Clients-Only" rate for you to share with your customers, in order to either generate profit or stimulate sales of Class III products.

Informational Materials – Gain access to reference guides from various sources including David Goldman, SilencerCo, and other pro-NFA resources; an AcuSport/FFLGuard overview on the legality of suppressors; and "Best-in-Class" NFA training videos, available exclusively on our Clients-Only website.

SOT Application and Assistance – Use our supply of ATF Forms and your additional HelpDesk support to get your SOT License and begin selling Class III items.

NFA-Specific eCommunications – Receive clients-only, joint defense privileged emails that keep clients informed of current legal and other NFA firearms-related happenings in real time.

CLIENTS-ONLY NFA Legal Library Access – Have all NFA-specific legal memos, opinion letters, and other informative bulletins and documents at your fingertips. These include notices from ATF, all FFLGuard-created documents, and other valuable information that FFLGuard only shares with its NFA-YSP clients.
