

### Retailer Plan (Basic & Elite)

**All Plan Participation is Subject to Clients Remaining in Good Standing with 90+ LPG Points**

FFLGuard's Retailer Plan is designed to specifically address legal and compliance issues faced by Type O1 Federal Firearms Licenses who have one location and sell less than 10,000 guns annually. The Retailer Plan utilizes every Basic Service delivered to all FFLs participating in the FFLGuard Program. By meeting certain additional requirements, retailers can advance from Basic Services to Elite Services and receive more plan benefits at a reduced yearly fee.
